EXTRA guest

Extra

It was a doughnut that landed me in a movie with a Golden Globe winning actress. Not a jelly filled gimmick, but a classic, vanilla with sprinkles. The kind that makes you walk an extra four blocks when the first place you stopped at is sold out. The kind that makes you walk to that corner bakery where you find a film crew looking for extras. I could have just taken my pastry and run, but I had a shot at having my cake and eating it too. So I took it. And it was red carpet delicious.
