**PARTIALLY ASSEMBLED | No TOOLS | SHIPPING**

What's better than kicking back with your feet up while someone does all the work for you? Introducing the Wyatt PANTS Program; where your chair arrives at your door in three pieces with little assembly needed.

With PANTS, you'll have more time to focus on more important things... Like reminiscing about last year's BASE Jumping trip to the New River Gorge during Bridge Day.

The PANTS Program is the perfect fit for those seeking an out-of-the-box office chair.

Our upgrade fee is +\$100 list per chair.

## **This tailored offering includes:**

Three pre-assembled pieces which include:

1. Back, Seat, & Arms
2. Pneumatic Cylinder
3. Five Star Base

No tools or hardware are needed. Simply fit each piece into the 5 star base. It's as easy as 1, 2, 3.

Each pre-assembled chair is individually boxed, packed and drop shipped.
